Technology and Internet Acceptable Use Promises, Grades PK - 4

Introduction:

The use of the computers and the Internet at the School must be for learning. We believe that using technology to learn is an important tool as long as students act responsibly.

Computer use is a privilege, not a right, and improper use will result in losing those privileges. The principal will decide if improper behavior has occurred and whether computer privileges are to be taken away. His/her decision is final.

When you use the School's computers, the Principal and other adults have the right and ability to look at your files and activities. Make sure that what you put in the computer system is courteous, legal, and acceptable.

Security on our computer system is important. If you see anyone trying to use other people's work or trying to go to areas that are not allowed, it is your responsibility to notify the teacher.

Just like parents monitor what you watch on television, see at the movies, listen to on the radio, or talk to on the telephone, the School will provide guidance on what is proper and teach you how to use the computer and Internet in a responsible way.

Student Promises:

Using the computer and Internet correctly and responsibly is very important. I promise to follow these rules.

1. I PROMISE to use all equipment carefully and not intentionally damage or destroy it.
2. I PROMISE not to tamper with the software or network.
3. I PROMISE to use the computers and Internet for School work only and use only the programs and websites that my teacher has approved.
4. I PROMISE to keep my password to myself and not to share it with others.
5. I PROMISE not to use someone else's password.
6. I PROMISE to be polite and not to use any language or pictures that are hurtful to others.
7. I PROMISE to give credit to others when I use their words or ideas.

8. I PROMISE to obey copyright rules.
9. I PROMISE to use only my own files and/or folders and never to trespass into someone else's.
10. I PROMISE to tell my teacher if I see something on the computer that is inappropriate.
11. I PROMISE to ask for help when I don't know what to do and to print only when my teacher tells me to.
12. I PROMISE not to reveal my address, phone numbers, or any personal information about me on the Internet.

Personal Digital Devices

eReaders

Students in 3rd through 8th grades have permission to bring any tablet eReader to class for the express purpose of reading. Examples include a Kindle, Nook, iPad, iPod, or Android tablet.

- Students are responsible for their own device. The school is not responsible for its storage, charging, labeling, or maintenance.
- Students are not allowed to access the internet on their eReader. Any books must be *pre-downloaded* from home.
- eReaders are for reading only. Using the devices for other purposes during the school day may result in the loss of privilege. *Pre-downloaded* games and apps may be allowed during after-school time at the discretion of the after-school care leader.

Cell phones

Students are discouraged from bringing cell phones to school. Calls home may be made from the school office if necessary. Cell phones brought to school will be collected in homeroom (house) in the morning and returned at the end of the day. The phones will be stored out-of-sight; however, the school is not responsible for your child’s phone. Phones in use without permission, both during and after school, will be removed from the student’s possession and returned only to the parent. The student will be subject to disciplinary action as described in the All Saints Student Handbook.

I understand and agree to the terms outlined above regarding eReaders and cell phones. I accept the risk(s) associated with allowing my child to bring his/her own eReader or cell phone to school.
